

Record Number of Abstracts Received for the IFSO2018 Congress

The response to the call for abstracts for the **IFSO2018** Congress has been incredible. We have received **1,165 abstract submissions** from **61** countries. We thank all of you for submitting your abstracts, thus setting an unprecedented record in IFSO's World Congresses. Such a tremendous number of submissions reaffirms the great value IFSO community gives to researches in this field and can only predict an unforgettable IFSO 2018 in Dubai, UAE.

About more than 100 experts are working hard now to review abstracts and select those that represent the best of what the field of obesity surgery and metabolic disorders has to offer. Acceptance notification will be done by email in early June. All the authors of accepted abstracts will have to register in the congress within two weeks. Keep an eye on www.ifso2018.com for more updates as the scientific and social programmes take shape, and follow us on Our Mobile App, Facebook page and Twitter feed. We will share speaker and program details as they become available on all available digital platforms.

Please note that registration is open and early bird rates are valid till 30th June 2018 so reserve your place now and benefit from discount!

Moreover for delegates to enjoy a hassle-free experience in Dubai, we have pre-booked a number of hotels closer to the venue in different price categories and best guaranteed rates. The month of September is usually busy and hotel rooms are booked early by visitors so it is highly recommended that you plan ahead your journey and book your accommodation early to organise your stay closer to the venue.
